# The History of the HOBO CLASSIC

In 2000, Dan and Marilyn Milton, Cris Jennings, Sherry Johnston, Greg and EstherSue Sykes, and Doug and Darlene Meyers purchased the Firecracker Sale and turned it into a non-profit organization to benefit the llama industry. The Miltons traveled to Estes Park Wool Market & Llama Show, the Ag Show in California and OFFF in Oregon with extensive displays to promote all aspects of the llama industry. Dan and Marilyn gave seminars all over the country and hosted two major llama auctions combined with shows in Roseberg, Oregon. They turned all profits back into the industry by educating, sponsoring events, awarding scholarships and even supporting organizations such as LANA with a \$5,000 donation to sustain them.

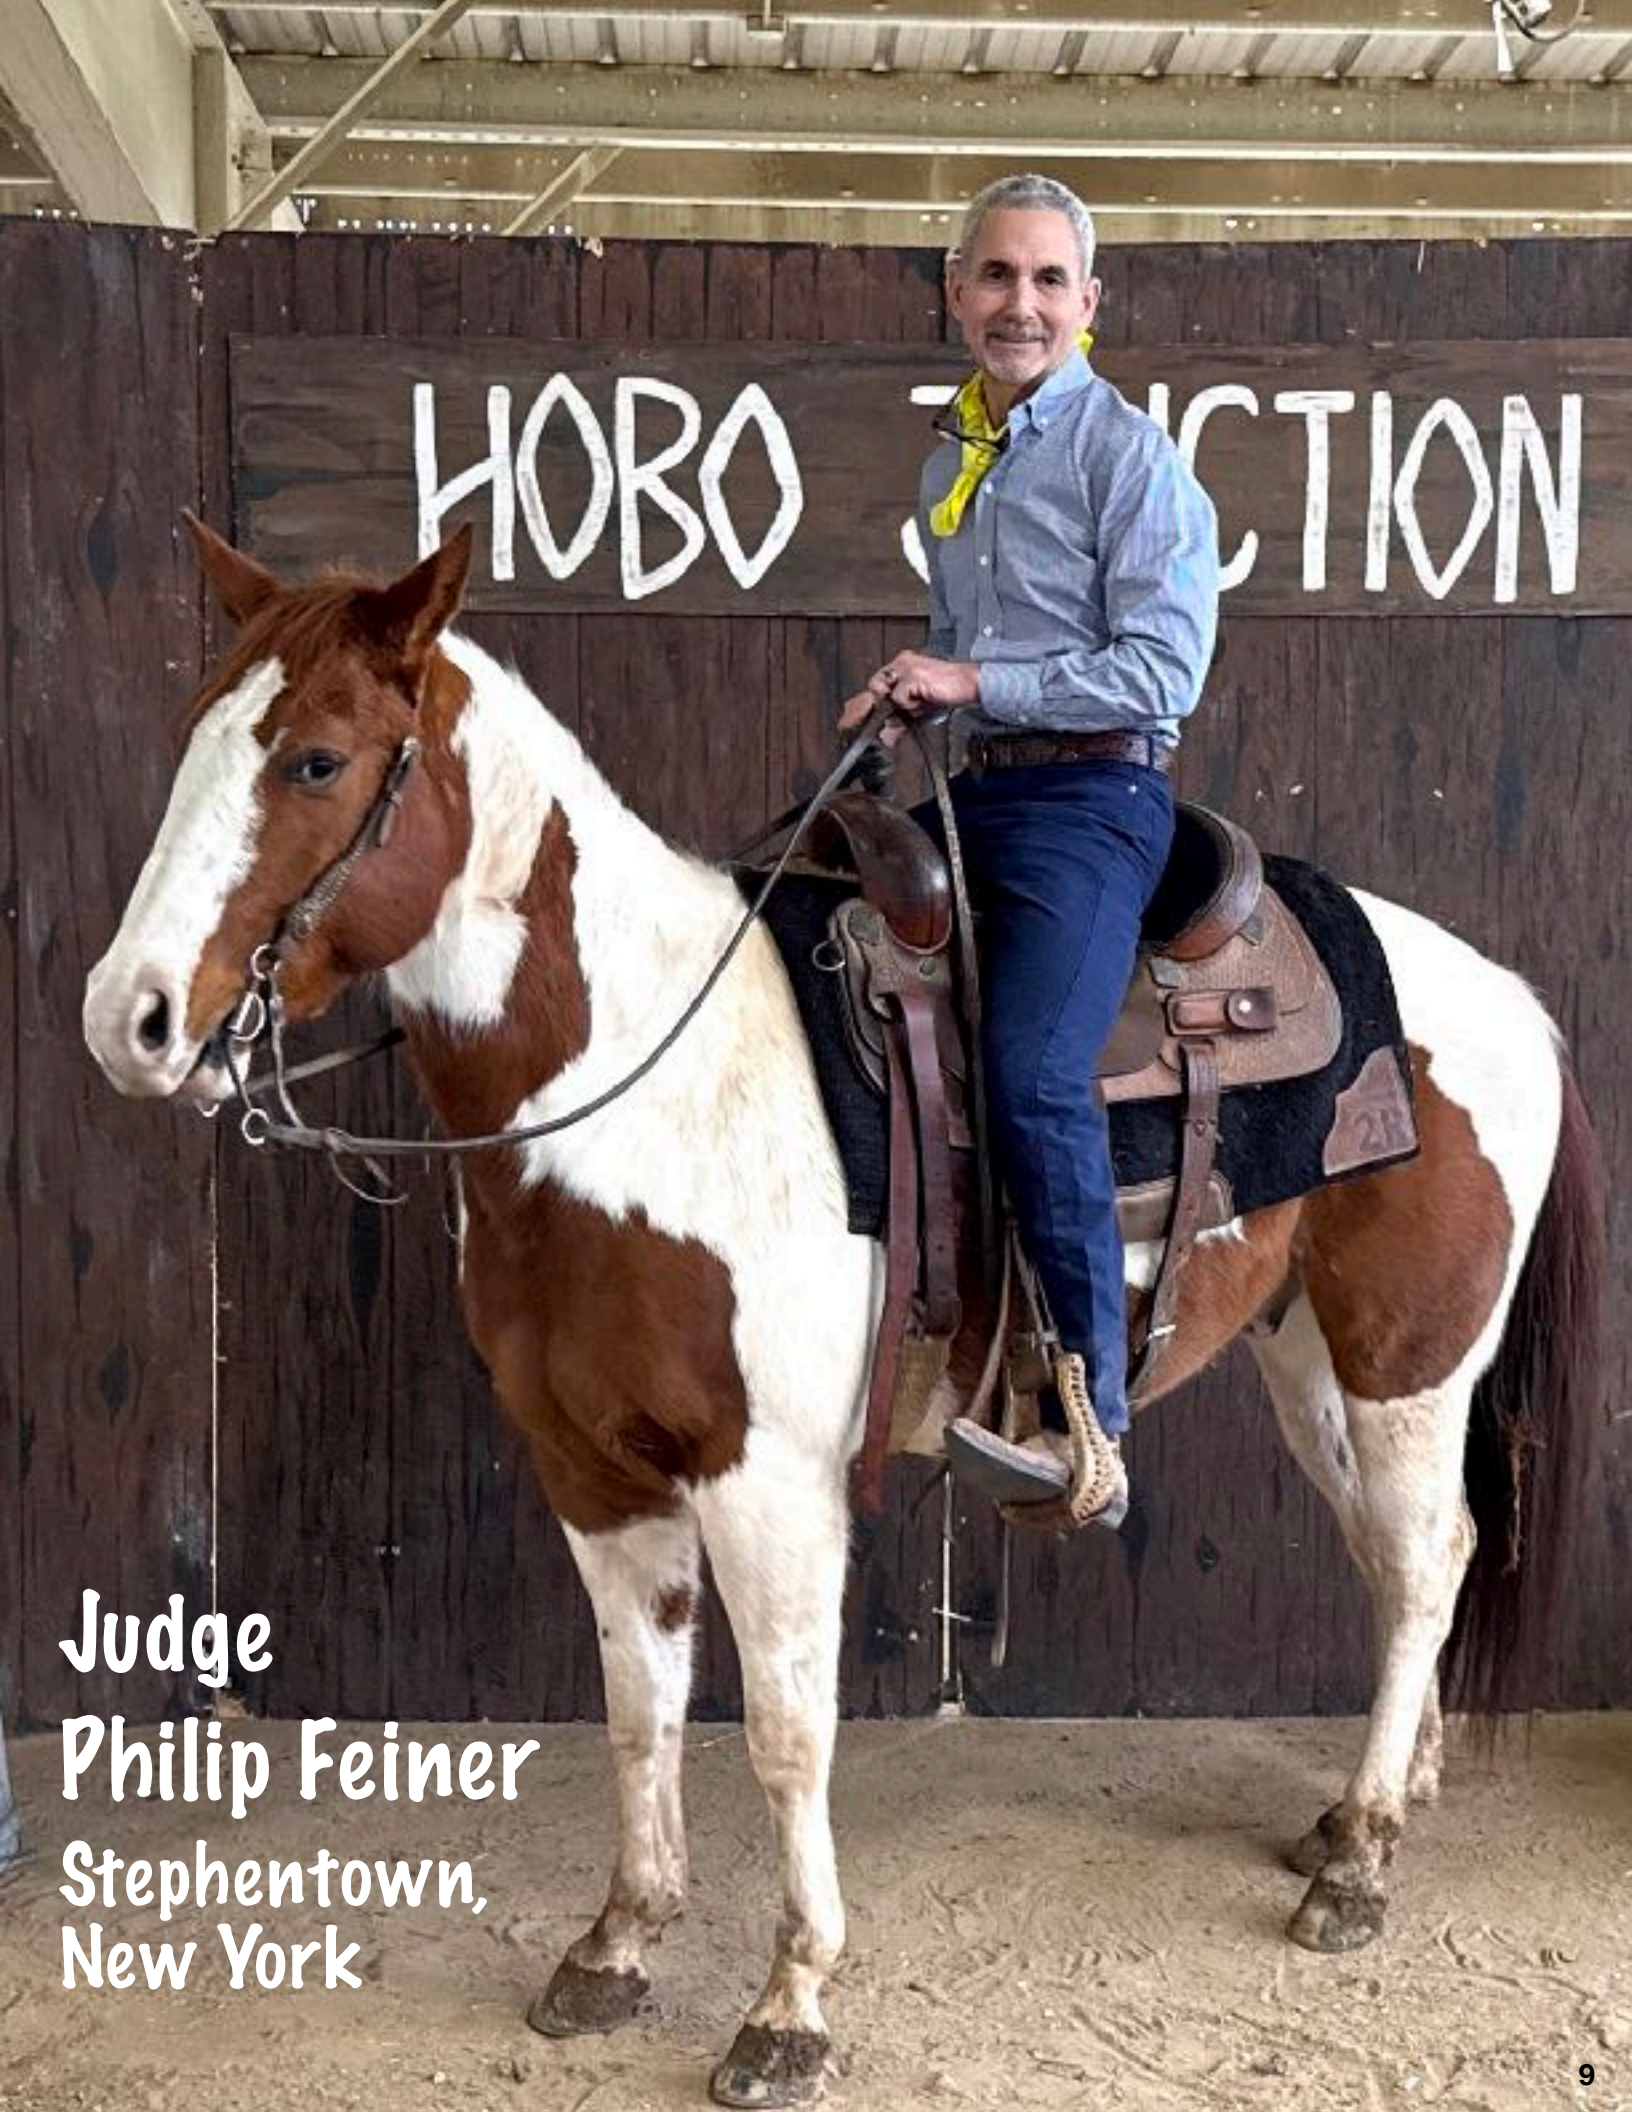

As sales on the West Coast were declining, the group needed another way of making money. Because shows were still popular, they decided a new show was the way to go. All desirable dates for a show were already booked so the Miltons conceived the idea of a show that could be held in the winter time and the Hobo Classic was born. Grooming became "illegal" and to enforce that, there were Hobo cops and a jail. It grew from there to include an entire Hobo town complete with a junk yard, a soup kitchen, a dock, box car, outhouses (all decorated with authentic Hobo symbols) and a perpetual yard sale where those who didn't have costumes could get themselves

in the spirit of things. For the first several years, there were over 300 llamas in attendance at the shows. There were many special events for all levels of performance with awards and cash prizes. The group sponsored sportsmanship and service awards, as well.

In 2008, the Miltons purchased the Celebrity Show, and they passed the Hobo Classic to LANA. The Stanislaus County Fairgrounds, in Turlock, California, was the home to the 2009 Hobo Show. For many years, Chene and Andrea Mogler and their family brought the spirit of the show back to its true Hobo roots, arresting and jailing the "criminals" who were caught grooming at the show. After several years, Kathy Nichols became superintendent. She and some dedicated volunteers work to make the Hobo Classic Show and festivities a fun weekend for everyone. In 2022, the show moved to the Merced County Fairgrounds which better fit LANA's needs. The participants enjoy the ambience of the Hobo village — a fun gathering place where LANA's annual membership meeting, Annual Awards presentation, morning hospitality, dinner, and auctions take place.

For those of you who joined us, we thank you for coming. If you were unable to make it to the show, we hope to see you next year as we continue the tradition of the Hobo Classic Show.

# Memories of Llama Times

I have a deep well of wonderful memories of llama times: convalescent home visits, Ag Days, packing, llamping, obstacle designing, ranch visits, clinics, Play Days, 4-H project meetings, shows — including, most notably, State Fair. I am forever grateful to parents and their children, fellow sojourners in the Llama World, old friends, and new friends, and youth and their animals. It is my pleasure to sponsor the 2025 Hobo Classic Show in gratitude for all those wonderful memories of Llama Times. - Sue Rich

# Superintendent's Message & Show Committee Reports

Another Hobo Show in the books. Though the show was small in attendance, it was not small on fun. Mother Nature was kinder this year. A little rain on Saturday didn't dampen the spirits of the exhibitors or spectators. Thank you to Phil Feiner for coming out west to judge our show. I hope you had a great time and an enjoyable weekend. Thank you to those who donated items for the Silent Auction and the Dessert Auction. Thank you to the winning bidders for your generosity.

Due to family needs at home, I was only at the show for a few hours on Friday and Sunday. Thank you, Joy Pedroni, for being our show secretary and Fairgrounds liaison. Thank you to the LANA Board members and their families who stepped in to do the things that I normally do on top of everything else they took part in during the weekend. I'm grateful for your help with the show and all you do for LANA.

Since I wasn't there for the entire weekend, I've asked a few of the the show committee members to contribute to the superintendent's message. Thank you Cali, Joy, Stephanie and Susan for your reports.

Unloading, sorting, laying out the backdrops and Hobo decor, only to pack it all up (hoping everything fits again) two days later is a big job. With the many volunteers, this was one of the fastest years to unload and load. Thank you for your help.

# Show Secretary, Scorekeeper & Awards

## By Joy Pedroni

This year Hobo had 27 llamas and 3 alpacas. There was a total of 130 entries.

My runners this year were Charlotte Roberson and a new youth exhibitor, Dominic Toste. For the first time, my husband, Ron, helped me hand out ribbons and awards and even filled in on runner duty when the kids weren't available. Audrey Roberson spent time at the scorekeeper desk learning how to record and calculate the Grand and Reserve Grand Performance titles. I think we have a new scorekeeper in the making! I've had the pleasure of working with Judge Phil Feiner in the past and it was great to work another show with him. Thank you to everyone who helped make my job as show secretary/scorekeeper run smoothly and a lot of fun.

# Hobo Village

## By Stephanie Pedroni

This year's Hobo Village setup somehow seemed to be the smoothest one yet! After a couple of years at this location, we have the arrangement pretty well mastered. Andrew Muirhead and Jackie Hegoas were fantastic help moving panels into their appropriate places as I directed from memory and the helpful reference of pictures from past years. Andrew and I took opposite sides of the panels and just worked our way around the village, pushing zip ties through one hole and securing them as they got pushed back through an adjacent hole from the other side. Next, we tackled repairing our beloved jail that was damaged in last year's wild winds. By repurposing a few of the jail bars, we "knit" the broken pieces back together and voila! Having finished his other tasks, Ron hopped in and helped put up all our signage while Robin and Andrew Muirhead bustled around, arranging and staging all the décor. All in all, it was a great group effort!

# Performance Courses

## By Cali Roberson

Kathy Nichols designed three challenging courses leaving me well equipped with diagrams and instructions for changing them out. After some discussion, Joy and I had an idea to try adding in a new element, a horse and rider, for the pack class. It was presented to the judge who loved the idea. The horse was ridden past exhibitors of the Masters and Advanced classes who had to try to keep their llama in a designated space. Many of the exhibitors in the following classes were first time exhibitors so the judge felt the horse element wouldn't be advisable for the youth and novice classes, but it was fun to try.

There were plenty of volunteers on hand to help me swap courses. New exhibitor Dominic Toste and his mom Rachel (petter), as well as my daughters, Audrey and Charlotte, made the transitions between classes quick and smooth. The judge requested a few minor tweaks to the courses to help our new exhibitors have an enjoyable show. He stated that one of his priorities was that everyone (youth in particular) would have a positive experience.

Sunday morning, we arrived early and, along with Kaycee Lusk, had all the obstacles moved out of the arena to make way for the halter classes. The cheerful help and experienced course designs by Kathy made the performance classes a breeze.

# Saturday Evening

## By Susan Rich

Vice President  
Stephanie Pedroni

The Hobo Show has been the venue for LANA's Annual Membership Meeting for a long time. And in keeping with that tradition, after the performance classes were completed and the auction tables were closed, Stephanie Pedroni, the Vice President conducted the 2025 meeting. The agenda included a welcome from Stephanie followed by introductions of each of the Board members: Lee Beringsmith (director who was absent), Margaret Drew (director) Emily Muirhead (director), Kathy Nichols (President and Newsletter Editor who was absent), Joy Pedroni (Treasurer, Office Manager, and Webmaster), Stephanie Pedroni (Vice President), Susan Rich (Secretary), Cali Roberson (Director) and Cathy Spalding (non-voting Advisory Chair who was absent). LANA thanked Susan Rich and Layla Cordero for sponsoring the show.

The Fun Awards announcement followed:

- ♦ Patti Oxenham was awarded the Best Hobo Costume for Saturday, and appreciative comments were made about her shopping cart rounds, sometimes with adult beverages available, sometimes with chips. This feature of her costume was the clincher for the award.
- ♦ Patti also received the award for having driven the longest distance to participate in the Hobo Show. She and her granddaughter traveled 308 miles each way to attend.
- ♦ Mario Rivera accepted the award on behalf of Lisa Labendeira for the most entries.
- ♦ Cali Roberson won the first to register, after some discussion that the award giver could not award herself the prize. So, truth be told, she was the second to register.

The fiscal health of LANA served as the topic of discussion for the next agenda item. Treasurer Joy Pedroni shared the end-of-year balances for both General Fund (\$14,289.49) and the Lifeline account (\$8,858.53). The longest portion of the report centered around the successful reinvestment of what had been the funds deposited with the Morris Animal Foundation (MAF). These reinvested funds have been placed in an interest bearing account, and since their placement have accrued over \$6,000. Originally intended to support camelid research, these funds will now be more broadly used, along with funds reserved for research, to support the camelid community. The proposals focused on camelids have just not been forthcoming from researchers, and the MAF requested that they be able return the funds.

Susan Rich awarded the three winning youth their awards for the Youth Essay and Art Contest from November 1st, 2024.

The meeting held an intermission while those in attendance were served dinner. Keralyn Vessels, who had set a Hospitality Table earlier in the day full of incredible treats, served up chili with all the fixin's and cornbread muffins with cinnamon and sugar butter. Joy Pedroni collected the dinner meal chips, resurrected after many years from prior LANA events. The chili was devoured, and then the meeting recommenced.

Annually, the LANA Board decides on some, if not all, of the LANA Awards. This year, Robin Muirhead received the Humms & Hugs Award for her years of faithful volunteering, especially at the Kids & Camelids Show and at the Hobo Show. Dr. Michelle Kutzler was awarded the Hummdinger Award for all her work on behalf of camelids. The Youth Follow Me Award went to Kaycee Lusk for her consistently positive attitude at shows, her willingness to jump in and help without being asked, and her sportsmanship and calm decorum. Lastly, and as a surprise, Stephanie Pedroni received the Adult Follow Me Award for all her work on behalf of llamas, alpacas and LANA.

Cali Roberson reported on the upcoming LANA events, some of which have dates already and some of which are To Be Announced.

The comedic Sheriff's report followed with several arrests and the posting of bail by sympathetic family members and friends. Sheriff Mario Rivera, aided by his two deputies: Kaycee Lusk and Audrey Roberson, provided great entertainment as they read off the tickets, arrested the culprits with pink, fuzzy handcuffs, and orchestrated the bidding for bail.

Lastly, Stephanie Pedroni officially closed the meeting at 7 PM. A lively dessert auction led by Patti Oxenham capped the evening.

# The Auctions

## By Susan Rich

The Auctions were a success this year! Thank you to the many contributors to the tables and to the buyers for their generous bids. Thirteen donors supplied the 12 tables with items up for auction, and 20 buyers participated. As the show was relatively small this year, we had fewer donors and fewer buyers. But the youth were exceptionally active and headed home with many new treasures. Their bids totaled \$328! The LANA Llama Lifeline tables brought in \$359 for their coffers. The General Fund tables secured \$472, for a grand total of \$831. The fiercest bidding took place over the four hand-crafted, llama-themed tote bags sewn and donated by Robin Muirhead. Many thanks go to Margaret Drew and Robin Muirhead for managing all the auction items, ensuring each had tags, collecting from successful bidders and packaging up the awards right before Saturday's Annual Meeting and dinner.

The dessert auction, amazingly enough, raised more money this year than last with fewer items available and fewer buyers. This year, the thirteen desserts ranged from the classic chocolate cake (with its glass plate and dome) to the return of the Christmas Crack – which lived up to its name. The 13 desserts were purchased for a total of \$505, due to the heroic efforts of the auctioneer: Patti Oxenham. The audience was cajoled into some incredible bidding wars, most notably for the fully equipped picnic basket full of liquor and goodies and colorful napkins, donated by Margaret Drew. And that same Margaret was a dedicated participant in the wars, generously sharing her desserts with the crowd. Many feasted on her gifts of apple pie and delectable cupcakes the next morning for breakfast.

## HUMMDINGER AWARD

### Michelle Kutzler

Joy Pedroni awarded Dr. Michelle Kutzler with the Hummdinger award. Dr. Kutzler served as the President of LANA for many years. She was also instrumental in assisting our camelid compatriots in Alaska when they were fighting the ban prohibiting llamas' access to the back country. She supplied her expertise and credentials to their cause and was helpful in rescinding the ban. At one time, LANA held significant funds with the Morris Animal Foundation, and Michelle served as the liaison between that organization and LANA. She reviewed the camelid-related research proposals and advised the LANA Board regarding their support and funding or denial. Again, her professional expertise was invaluable to the camelid community through this work.

# ADULT FOLLOW ME AWARD

Stephanie Pedroni

**Stephanie Pedroni was chosen to receive the 2024 LANA Adult Follow Me Award. After being coerced into helping her m-i-l with a show or two, Stephanie enthusiastically jumped into the camelid world with both feet. She learned to scorekeep, helps put on shows and clinics, serves on the LANA Board as Vice President and volunteers wherever she is needed. LANA is lucky to have Stephanie working with them and we are honored to present her with this Award.**

# YOUTH FOLLOW ME AWARD

Kaycee Lusk

Kaycee Lusk, a senior youth, has been involved with llamas since she was a child. She has consistently demonstrated a positive attitude in everything she does, whether it's helping people load or unload their trailers, setting up/tearing down obstacles or retrieving an errant llama that escaped during a performance course run. Kaycee's infectious smile never leaves her face and she sets an amazing example for other youths to emulate.

A photograph of two women standing in front of a wooden wall. The woman on the left, Susan Rich, has long grey hair, wears glasses, a black shirt, a blue denim vest, and a white patterned scarf. The woman on the right, Robin Muirhead, wears a green baseball cap, glasses, a black puffer jacket, and a plaid scarf. Robin is holding a wooden award that resembles a llama. Susan has her arm around Robin's shoulder. The background is a rustic wooden wall with some faint chalk markings.

# HUMMS & HUGS AWARD

## Robin Muirhead

The Humms & Hugs Award brings back Cal-ILA's designated recognition for a volunteer. Susan Rich publicly acknowledged Robin Muirhead for this award. For many years, when her daughter showed in the ranks of the youth, Robin was a "llama mama." But after her daughter headed into the Navy to see the world, Robin continued to give her time, talent and treasure to LANA. She has been a much needed extra-set of hands at the Kids & Camelids Show, organizing the prize tables and scribing the judge's comments for the youth. Most recently, she has been invaluable in keeping the Hobo Show's auctions organized, properly accounted for, and concluded. She has created incredible items for the auction tables, including quilted runners, and this year, beautiful llama-themed tote bags. Additionally, she has been a contributor to the dessert auction with several delicious donations for the shows. She is generous as well at the auction tables, traditionally bringing home several of the white wine options up for bid. She recruits the talents and muscle of her son to assist with the set-up of the Hobo Village as well. She is a wonderful asset to LANA and much deserving of this award.

# LANA YOUTH MEDALLION AWARD

## Kaycee Lusk

Judge Phil Feiner awarded Kaycee Lusk the LANA Youth Medallion for her positive attitude, calm demeanor, cheerfulness and willingness to help when needed.

# HOBO VILLAGE SHERIFFS DEPARTMENT SUMMARY

**DATES:**

January 31 - February 2, 2025

**LOCATION:**

Hobo Village, Merced, California

**ARRESTS:**

Four arrests were made during the weekend by Sheriff Rivera and his Deputies Kaycee Lusk and Audrey Roberson.

Bail totaling \$44.00 was posted for the offenders and donated to LANA Lama Lifeline.

**CONCERNED CITIZEN:**

On Saturday afternoon on February 1, 2025, while performance placements were announced, a concerned citizen reported that there was a mistake. J. Pedroni fixed the clerical error that was technically made by the assistant scorekeeper. Feeling bad for the assistant, J. Pedroni took the rap. She later was arrested and jailed.

**EYE WITNESS:**

On Saturday, February 1, 2025, Sheriff Rivera was notified S. Pedroni violated the Hobo Show No Grooming Rule. The culprit was seen removing debris from her animal. Sheriff Rivera later arrested and jailed S. Pedroni.

**ON PATROL:**

Throughout the day of February 1, 2025, Sheriff Rivera overheard exhibitors talk of an individual distributing adult beverages to adult attendees during the show. An investigation was launched and found the subject pushing a shopping cart. After careful inspection of the accused's cart, Sheriff Rivera found evidence of P. Oxenham's wrong doing. Much to the regret of those enjoying her generosity, she was later arrested.

**ON PATROL:**

While on duty, Deputy Roberson reported that she saw a horse at the llama show on Saturday, February 1, 2025. Upon investigation, the clues led her to find the owner of said horse was non other than her mother. Deputy Roberson arrested and jailed C. Roberson later that evening for bringing a non-camelid to a camelid event.

# Minimum Standards of Care for Llamas and Alpacas

Minimum Standards of Care are mandatory to llama and alpaca survival and humane treatment. These are the most basic requirements that all llamas and alpacas must have for physical well-being and, as such, define minimum requirements for animal control officers and government officials investigating questionable llama and alpaca care situations.

1. **WATER:** Animals should have continuous access to potable drinking water.
2. **NUTRITIONAL:** Animals should have nourishment adequate to sustain life and health.
3. **SHELTER:** Animals should have natural or man-made shelter that enables them to find relief from extreme weather conditions. The sheltered area must allow for the ability to stand, lie down, rest and reasonably move about.
4. **MOBILITY:** Animals should have a living area through which they can move freely and exercise independently
5. **NEGLECT:** Animals should have a physical appearance free from signs of serious neglect. Signs of serious neglect may include such things as crippled ambulation due to severely curled toenails, ingrown halters, or living conditions not meeting the minimums listed above.
6. **SAFETY:** Animals should be reasonably safeguarded from injury or death within their defined living environment and/or when traveling.
7. **CRUELTY:** Animals should be reasonably safeguarded from cruel treatment and actions that endanger life or health or cause avoidable suffering.
8. **SOCIALIZING:** Llamas and alpacas are herd animals and should not live alone without a companion animal. A cria (a baby llama or alpaca under six months) should not be removed or apart from other llamas or alpacas.

# LANA's Emergency Wallet Card

## Next of Kin Card & Live Animal Alert

Edited from an article by Cris Jennings

In 1996, LAMA Lifeline was created. It was apparent that rescue was but one role Lifeline needed to include in their new program. Although Lifeline consciously structured itself to respond to llama needs, Lifeline volunteers encountered llama rescue situations where other animals (i.e.: goats, sheep, cats, pigs, and geese) came into play. To the owner needing Lifeline's assistance, these animals' welfare was every bit as important as the llamas. Lifeline learned early on, when one type of animal on a ranch is jeopardized by a ranch emergency, all the animals may all be at risk.

Many of the llama rescue situations Lifeline has been involved with began with some sort of human emergency. Having a plan in place for llama/other animal care in case of emergency allowed owner input and control during the chaos of crisis. Real life crisis, health emergencies and death do happen to people all of the time. Individuals prepare for these events by making wills/living trusts, medical powers of attorney, and dutifully paying insurance premiums; some even insure their llamas. Lifeline realized there was generally nothing in place to

ensure basic everyday needs were met (food, water and animal care) if the owners were suddenly out of the picture and unable to provide or direct ranch coverage during an emergency situation. In response to this need in the llama community, LANA developed an emergency notification card that links Next of Kin contacts with animal care contacts.

The hard facts of life are that no one can predict when a tragedy may strike and human crisis can generate significant chaos to create animal emergencies. Thoughtful preplanning can prevent putting animals at risk and avoid compounding an already difficult situation. The NOK/Live Animal Alert Card is but one practical application of LANA's commitment to the community, the well being of llamas and Lifeline's consulting, networking, education philosophy.

LANA was contacted in December 2024, and asked if LANA still had the NOK cards available. The Board of Directors agreed to create an updated card and make it available to anyone. Please feel free to print this and share with others.
