### Editor's Note:

This special edition of the Hobo Classic Show highlights the exhibitors, families and friends, the many volunteers and the fun and festivities during the weekend. The Hobo edition is the largest newsletter of the year, so large that it's in two volumes. Due to the crazy weather, I didn't take many pictures in the ring. The Hobo Junction backdrop was taken down to prevent any damage from the wind on Sunday.

Many thanks to Joy for sending the show results and to the people who shared their pictures from the weekend. Enjoy this newsletter and look forward to the Spring Edition and the Kids & Camelids Show Edition.

# The History of the HOBO CLASSIC

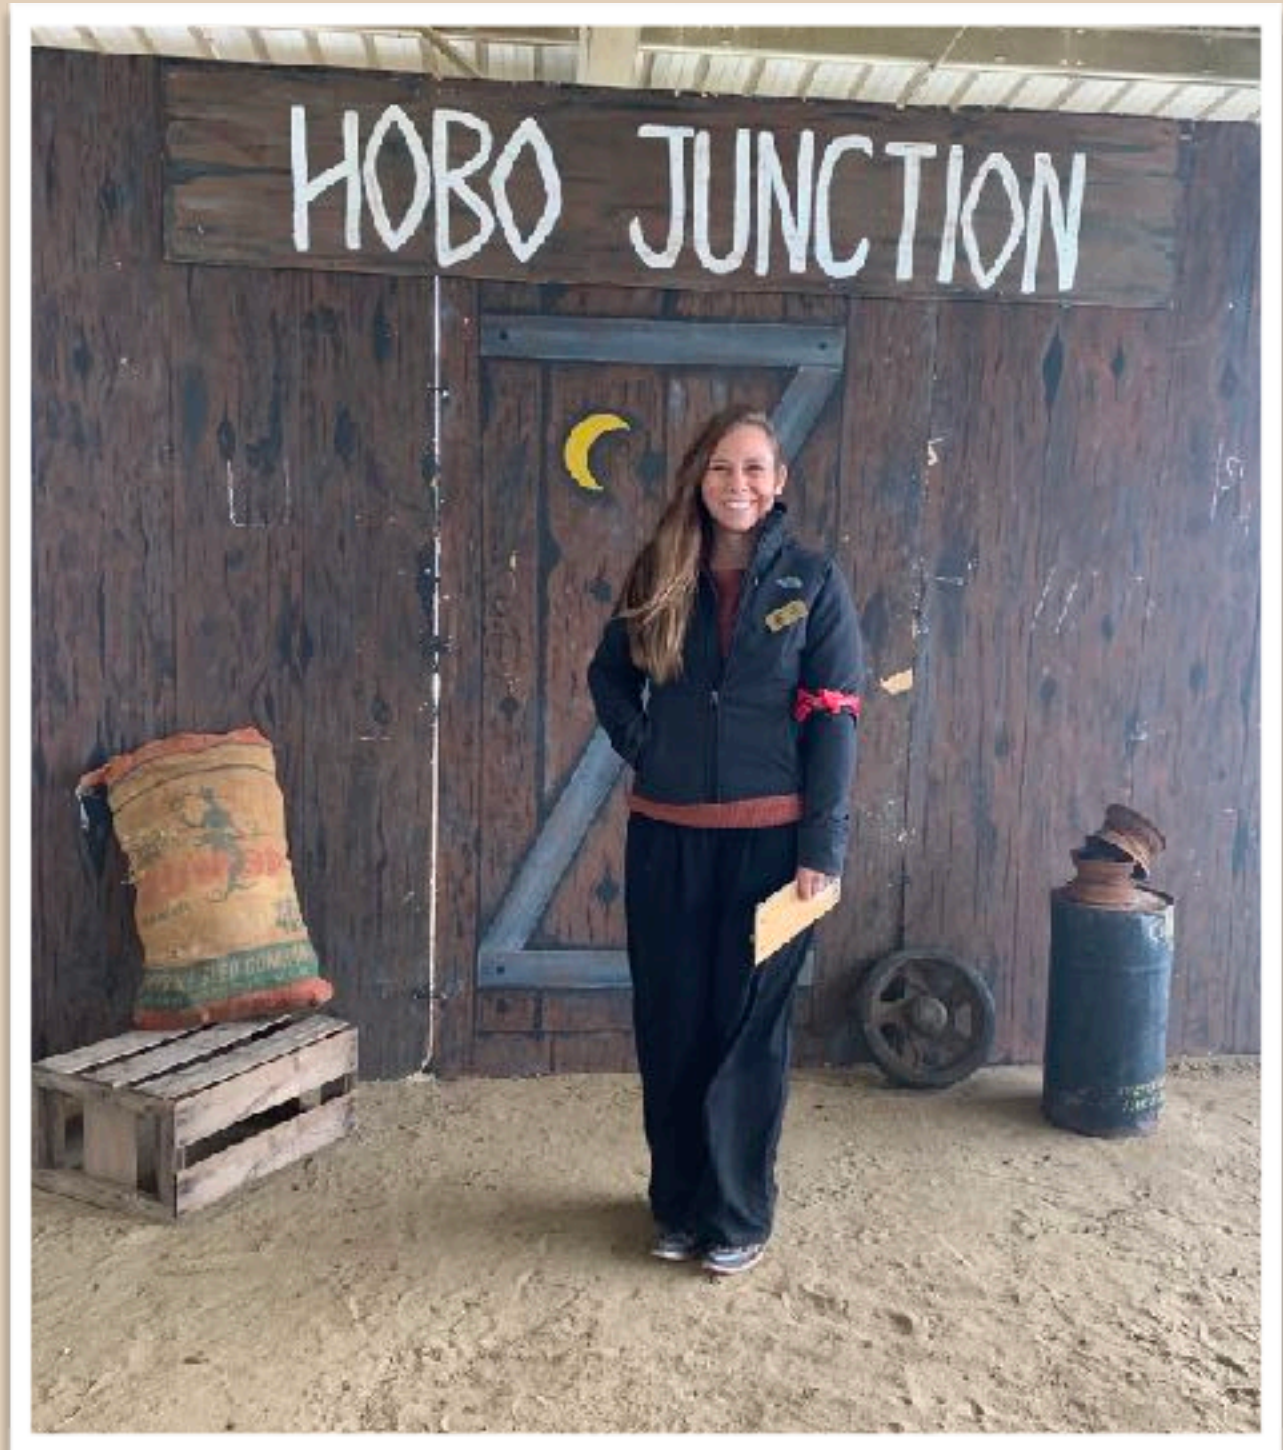

In 2000, Dan and Marilyn Milton, Cris Jennings, Sherry Johnston, Greg and EstherSue Sykes, and Doug and Darlene Meyers purchased the Firecracker Sale and turned it into a non-profit organization to benefit the llama industry. The Miltons traveled to Estes Park Wool Market & Llama Show, the Ag Show in California and OFFF in Oregon with extensive displays to promote all aspects of the llama industry. Dan and Marilyn gave seminars all over the country and hosted two major llama auctions combined with shows in Roseberg, Oregon. They turned all profits back into the industry by educating, sponsoring events, giving scholarships and even supporting organizations such as LANA with a \$5,000 donation to sustain them.

As sales on the west coast were declining, the group needed another way of making money. Because shows were still popular, they decided a new show was the way to go. All desirable dates for a show were already booked so the Miltons conceived the idea of a show that could be held in the winter time and the Hobo Classic was born. Grooming became “illegal” and to enforce that, there were Hobo cops and a jail. It grew from there to include an entire Hobo town complete with a junk yard, a soup kitchen, a dock, box car, outhouses (all decorated with authentic Hobo symbols) and a perpetual yard sale where those who didn’t have costumes could get themselves in the spirit of things. For the first several years, there were over 300 llamas in attendance at the shows. There were many special events for all levels of performance with awards and cash prizes. The group sponsored sportsmanship and service awards, as well.

In 2008, the Miltons purchased the Celebrity Show and they passed the Hobo Classic to LANA. For many years, the Stanislaus County Fairgrounds was the home to the Hobo Show. Chene and Andrea Mogler and their family brought the spirit of the show back to its true Hobo roots, arresting and jailing the “criminals” who were caught grooming at the show. After several years, Kathy Nichols became superintendent. She and some dedicated volunteers work to make the Hobo Classic Show and festivities a fun weekend for everyone. In 2022, the show moved to the Merced County Fairgrounds which better fit LANA’s needs. The participants enjoy the ambience of the Hobo village — a fun gathering place where LANA’s annual membership meeting, Annual Awards presentation, dinner, and auctions take place.

Next year, get your best Hobo attire on, load up your dirtiest camelids and join us as we continue the tradition of the Hobo Classic Show.

## SUPERINTENDENT'S MESSAGE

by Kathy Nichols

The Hobo Classic Show never disappoints - what a great turnout! The weather during the weekend, well...that's another story. There were 79 animals entered and 184 entries this year, an increase from last year. A big thank you to Anna Reese who came from Texas to judge our show. She was a good sport dealing with the stormy weather on Sunday. Thank you Joy Pedroni for all that you do as the show secretary, scorekeeper and putting the program together. Thank you to the volunteers who helped in and around the arena. Thank you exhibitors for your participation and bringing your wonderful animals to the show. I hope you enjoyed going through the performance courses. Thank you to the volunteers who unloaded, set in place and loaded the performance obstacles. And thank you sponsors for your generous support.

Did you enjoy the Hobo Village? The hard working crew truly did an amazing job! Thank you to the Pedroni trio for their special touch in creating the Hobo ambience. It makes the Village even more memorable. Thank you to the many volunteers for unloading, holding in place and putting together, packing and loading the village backdrops and props to go home.

There was plenty going on Saturday evening. The silent auctions were scheduled to close at the arrival of dinner. The auction tables were crowded as people were checking to see if they had the last bid and had become the lucky winner. Thank you Margaret Drew for taking the helm for the auctions this year. Thank you to the auction helpers who collected and grouped the winning bidders' items. If you donated items or won items - THANK YOU! You are supporting LANA and LANA Lama Lifeline. Margaret and Sue Rich brought a bunch of their own tables to be used for the auctions and hospitality, saving LANA money on table rental. Thank you ladies. Thank you the to the Kimbro's for donating their El Dorado Honey (jars and squeeze bottles) for LANA Lama Lifeline's Auction. It was a sell-out. I bought a few jars myself.

Thank you to Sue Rich for ordering our dinner. Thank you Sue and Robin Muirhead for picking up and setting up dinner. Everyone seemed to enjoy the steak and chicken Taco Bar. The hot food was delicious and comforting. People happily grabbed the packed leftovers to take home.

Thank you Robin for also helping me tend to the hospitality table.

As attendees were finishing their meal, Sue Rich started the dessert live auction. There was a wide variety of desserts that would satisfy anyone's sweet tooth. Cakes, cookies, muffins, candy and a specially made limoncello liqueur were up for auction. Thank you to those who donated items and to the lucky winning bidders. My mother and I enjoyed the llama-shaped cookies that I won. Taking the helm

While the people were enjoying their goodies, the LANA Annual Membership meeting began. President Kathy Nichols introduced the 2024 Board of Directors, most who were in attendance.

Joy Pedroni gave her Treasurer's Report as well as an update on LANA's research funds and Morris Animal Foundation.

The board members announced the many events LANA will be holding through out the year. (Check the Calendar of Events in this newsletter or on LANA's website for more information).

Secretary Sue Rich announced the winners of LANA's Youth Writing & Art Contest. Though the winners were notified in November, LANA wanted to publicly recognize the winners on their achievement. They received a certificate and a cash prize. The deadline for the next contest is May 1st.

Vice-President Stephanie Pedroni announced Ava Mattia as the recipient of the 2023 Youth Follow Me Award. Unfortunately Ava could not attend Hobo this year. We will get the award to her and she will be honored in front of her peers at the Kids & Camelids Show. The award was created by former LANA President Chene Mogler. Thank you Chene. Again, you made a beautiful annual award.

Sheriff Mario Rivera reported on the illegal activity that occurred that day. Four people were arrested for various offenses. Three law breakers were jailed and waited for friends and family to bail them out. One posted her own bail and avoided going behind bars. Thank you Mario and Deputies Ethan and Jackson for playing your roles so well.

And now for Sunday. The big storm came during the night and it was still raining in the morning. On arrival to the Fairgrounds, I was sad to find that there was damage to the Hobo Village. It would be funny to say there was a jail break, however not in this case. The jail actually broke. The wind was so strong it snapped it in half just below the bars. The Soup Kitchen back drop had blown down on LANA's resident hobo. Sheriff Mario applied CPR and our Hobo was saved. The burlap sacks and other items near the panels were drenched. The fencing behind the Yard Sale area will also need repair. The Hobo Junction back drop was taken down to avoid damage.

The first classes on Sunday morning were Showmanship. A great turn out for our Adult class - 9 exhibitors! You know the saying "During the fight, a hockey game broke out"? Well... during the storm, halter classes broke out. During the showmanship classes, the storm approached.

The storm hit about midway through the male classes. There were moments of light rain mixed with heavy rain being blown with such force that it was horizontal. There was even a break in the storm and the sun came out and a vibrant rainbow appeared.

We were almost able to get through the whole show dealing with mild to moderate winds, then the wind picked up during the Produce of Dam class. The blustery wind whipped up the loose dirt making it difficult for handlers, animals and our judge.

The decision was made to take the Get of Sire class outside on a wide span of cement for the six entries to avoid the dust. While on the first circle around our make shift show ring, OUCH! What the hail! (pun intended). The storm came at us in full force including a bit of hail. For goodness sakes Mother Nature, we're trying to have a show here! Everyone was good sports about it. I don't think this is what Judge Anna had in mind when thinking about California weather.

One last award to be handed out - Best In Show. Another change in show area and we moved to the barn to be undercover. The wide paved aisle way worked well for the eleven llamas in contention. In the end, 4R Shakira from Skansen's Llamas was selected by Judge Anna for the title of Best In Show.

Thank you everyone for coming to LANA's Hobo Classic. Thank you for cleaning your area before you departed. I hope you had a fun time at the show and a safe drive home. See y'all next year.

# Memories of Llama Times

I have a deep well of wonderful memories of llama times: convalescent home visits, Ag Days, packing, llamping, obstacle designing, ranch visits, clinics, Play Days, 4-H project meetings, shows — including, most notably, State Fair. I am forever grateful to parents and their children, fellow sojourners in the Llama World, old friends, and new friends, and youth and their animals. It is my pleasure to sponsor the 2024 Hobo Classic Show in gratitude for all those wonderful memories of Llama Times. - Sue Rich

# YOUTH FOLLOW ME AWARD

## Ava Mattia

LANA is proud to announce Ava Mattia as the 2023 Youth Follow Me Award winner.

Ava started working with alpacas when she was nine years old. Now 17, she has been serving as the Team Leader of the Alpaca & Llama 4-H Project, a position she has held for the past three years. She has been showing her alpacas since 2017 at local shows and the California State Fair. Ava is currently the President of the Miners' Ravine 4-H Club with over 190 4-H members. She is a Junior Member of her County Fair Board.

Ava enjoys taking her alpacas to events and sharing them with the public. Parades, Festivals, Youth Fair, Animal Expo, and FFA Day to name a few. She recently wrote an article that will appear in the next LANA Newsletter about a recent event, Adoption Day, she attended with her alpacas.

She volunteers her time with her veterinarian Dr. Michelle Ing helping with vaccinations, shearing and neutering.

We'll get a picture of Ava with her award in the next newsletter. Congratulations Ava!

**DATES:**

February 2 - 4, 2024

**LOCATION:**

Hobo Village, Merced, California

Four arrests were made during the weekend by Sheriff Rivera and his Deputies Ethan Pedroni and Jackson Pedroni.

Bail was posted for the offenders and donated to LANA Lama Lifeline.

**ON PATROL:**

Saturday afternoon on February 3, 2024, Sheriff Rivera was notified that a grooming implement was slipped into the silent auction. Sheriff Rivera set up a stake out keeping a close eye on the bidding sheet to find out who bought the illegal item. Sheriff Rivera was able to successfully close the case by arresting Mo Zatzke.

**CITIZENS' REPORT:**

Two individuals reported to the Sheriff that a person tried to coerce them to join him in a mischief-making and delinquent behavior.

After being identified by the victims, Pedro Carreño was arrested later that evening.

**Summary of Crime:** Illegally parking a llama.

**Sentence:** Avoided jail time. Issued a warning.

**Release:** Ditsler posted her own bail and was released with her promising to park the llama in a designated parking area.

# HOBO SHERIFF REPORT

**Case No:** Hobo-003

**Date:** February 3, 2024

**Arresting Officer:** Sheriff M. Rivera

**Suspect:** Pedro Carreño

**Summary of Crime:** Arrested on two counts of coercion and attempted kidnapping.

**Sentence:** After testimony by the two victims, he was jailed until bail of \$5.00 was paid. Issued a warning.

**Release:** Bail of \$5.00 was posted by Keralyn vessels to put a stop to Carreño's whining.

# HOBO SHERIFF REPORT

**Case No:** Hobo-004

**Date:** February 3, 2024

**Arresting Officer:** Sheriff M. Rivera

**Suspect:** Crystal Myers

**Summary of Crime:** Eye witness reported seeing Myers in the act of grooming her llama. Arrested for violating the No-Grooming Law.

**Sentence:** Jailed until bail was paid. Issued a warning and reminded of the Hobo Rules and Regulations.

**Release:** Bail of \$5.00 was paid by Margaret Drew.

**Top Left:** Sheriff Rivera showing recorded evidence of Mo Zatzke illegally obtaining a grooming item. Mo trying to play innocent with the “Who me?” expression or is that an “Oops, I got caught” look?

**Middle Left:** Pedro Carreño being arrested for two counts of attempted kidnapping. Carreño was cuffed and placed in Jail.

**Bottom Left:** Mo, Pedro, and Crystal Myers in jail hoping someone would post bail for their release.

**Bottom Right:** Eileen Ditsler quickly posted her own bail and avoided any jail time.

The arrests are a fun part of the Hobo weekend. Everyone enjoys this part of the festivities. Bail money is donated to LANA Lama Lifeline.

Thank you Mario for being the Hobo Sheriff and Ethan Pedroni and Jackson Pedroni for being his Deputies. Thank you Mo, Pedro, Crystal and Eileen for playing along and being good sports.

# Minimum Standards of Care for Llamas and Alpacas

Minimum Standards of Care are mandatory to llama and alpaca survival and humane treatment. These are the most basic requirements that all llamas and alpacas must have for physical well-being and, as such, define minimum requirements for animal control officers and government officials investigating questionable llama and alpaca care situations.

1. **WATER:** Animals should have continuous access to potable drinking water.
2. **NUTRITIONAL:** Animals should have nourishment adequate to sustain life and health.
3. **SHELTER:** Animals should have natural or man-made shelter that enables them to find relief from extreme weather conditions. The sheltered area must allow for the ability to stand, lie down, rest and reasonably move about.
4. **MOBILITY:** Animals should have a living area through which they can move freely and exercise independently
5. **NEGLECT:** Animals should have a physical appearance free from signs of serious neglect. Signs of serious neglect may include such things as crippled ambulation due to severely curled toenails, ingrown halters, or living conditions not meeting the minimums listed above.
6. **SAFETY:** Animals should be reasonably safeguarded from injury or death within their defined living environment and/or when traveling.
7. **CRUELTY:** Animals should be reasonably safeguarded from cruel treatment and actions that endanger life or health or cause avoidable suffering.
8. **SOCIALIZING:** Llamas and alpacas are herd animals and should not live alone without a companion animal. A cria (a baby llama or alpaca under six months) should not be removed or apart from other llamas or alpacas.
